

QUICK START GUIDE

HOW TO SEARCH

Enter a search term and click the search icon.

ADVANCED RESULTS

View all results or access images, video and audio media, Evidence Alerts and more via the results tabs. To get advanced results, filter results by titles, date range, related concepts and advanced search filters. See related terms below your search results for more options.

ENHANCED FEATURES

Go to the Resources page (top left) to see other products and cross-searching available with your subscription. Or, access your specific STAT!Ref Library subscription via the Titles link (top left) or the home page panel with the STAT!Ref logo. Once on the titles page, use the drop-down to see titles based on specialty or use the filter tool to find a title by name. Or, navigate to a specific title using the alphabetical list.

The screenshot shows the TDS Health website interface. At the top, there is a navigation bar with the TDS Health logo, 'RESOURCES', 'TITLES', and 'Profile' links. A search bar contains the text 'atrial fibrillation'. To the right of the search bar are 'TOOLS' and 'LOG OUT' buttons. Below the navigation bar, there is a 'TITLES' section with a dropdown menu set to 'All Titles' and a 'Filter this list' input field. A list of titles is displayed, starting with 'A'. The first title is 'A 1st Book on ECGs (2014)'. On the right side of the list, there is an alphabetical navigation menu with letters A, B, C, and D.

PROFILE CUSTOMIZATION

Click Profile (top left) and customize your user experience by creating a user account. Previously created profile preferences accounts (formerly called My STAT!Ref) are still active.

The screenshot shows the TDS Health website interface with the user profile menu open. The navigation bar includes the TDS Health logo, 'RESOURCES', 'TITLES', and 'Welcome Kate!' with a dropdown arrow. A search bar contains the text 'Search topics, Treatment'. To the right of the search bar are 'TOOLS' and 'LOG OUT' buttons. The 'TITLES' section is visible below the navigation bar. The user profile menu is open, showing options: Account Settings, Anywhere Login Account, Preferences, Search Sets, Alerts, Favorites, Manage Home Page Panels, and Log Out.

SUPPORT TOOLS

Access the Help portal under Tools (top right) for additional details.

The screenshot shows the TDS Health website interface with the support tools menu open. The navigation bar includes the TDS Health logo, 'RESOURCES', 'TITLES', and 'Welcome Kate!' with a dropdown arrow. A search bar contains the text 'Search topics, Treatment Drugs etc...'. To the right of the search bar are 'TOOLS' and 'LOG OUT' buttons. The 'TITLES' section is visible below the navigation bar. The support tools menu is open, showing options: Change Password, Help, Link to this location, Link Wizard, and Admin.

Or, if you would like a webinar demonstration or have any questions, please speak with your TDS Health Representative, call 800-901-5494 or email support@tetodata.com.
