- **Track Performance by Category**
 - Send entire categories of questions to students for practice
- **Flag Individual Questions**
 - Flag individual questions and send to one or many students to highlight a particular concept

Details on the NBDE I Exam

The NBDE I includes 400 questions. 80% of questions are in standard multiple choice format, with 20% of the exam structured as an interdisciplinary test. Students should anticipate the following structured questions: completion, paired true false, question, cause and effect, and negatives. BoardVitals incorporates these structures to give the student a realistic test experience.

About BoardVitals

BoardVitals helps healthcare practitioners and students train for certification and recertification exams, in-service exams, and meet continuing education requirements in over 50 health and medical specialties. BoardVitals brings together content from major publishers, universities, and top healthcare professionals into a single platform, creating the largest training ecosystem in health and medicine. BoardVitals contributors are experts from top tier academic and practicing institutions such as Harvard, Yale, Duke, and Mt. Sinai helping us create the best, most up-to-date content available.

Details on the NBDE II Exam

There are two parts to the NBDE II: the discipline-based component (400 items), and the case based component (100 questions). The following areas should be studied in great detail: Radiology Images, Prophylactic Regimens, Pathology Pictures, and Medically Compromised Cases (such as diabetes). Each case presentation includes: synopsis of patient health, dental charts, radiographs, and clinical photos.
