STAT!Ref[®]

The premier healthcare e-source

"I have been using STAT!Ref now for two years and it has been my crutch going through Nursing School. There have been so many instances where I would need to look up a drug quickly, or a recent nursing journal article. STAT!Ref is amazing and has provided me with up-to-date, accurate, and reliable information."

Nash Harris, Del Mar Nursing School

STAT!Ref Nursing Resources

With the most comprehensive online nursing collection of 165+ nursing resources in over 70 specialties, disciplines and categories, STAT!Ref covers all aspects of the nursing profession. Whether you are looking for resources in a specific nursing occupation, board certification or are focused more on evidence-based nursing resources, STAT!Ref has what you need.
